

Inspirational Corner... November, 2013...by Gayle Carpenter

Do you ever take the time to read the Focus on the Family Bulletin we send home with your child once a month?

There's an article inside it this monthly that I think is a worthy read, called, "Depending on Our Healer". The author writes, **"perhaps my most important role...is to model (for my children) a humble recognition of human limitations and in turn, our utter dependence on Jesus."**

I am not yet very good at the "humble recognition" part...but I am well acquainted with my human limitations. My flesh prefers to pout about them, but God, in His great mercy, demonstrates to me (and you)...that He is the ONLY one with NO limitations...and I can trust Him with mine.

"Be thankful in all circumstances, for this is God's will for you...who belong to Christ Jesus." 1 Thessalonians 5:13

*****THANKSGIVING:** a prayer expressing gratitude; a public acknowledgement or celebration of **GOD'S** goodness!

Happy Thanksgiving!
